**CITATION CJ3+**

---

# BEST-IN-CLASS JUST GOT BETTER

Step into the reliable choice — the CESSNA CITATION CJ3+ aircraft. With superior efficiency and light-jet performance, the *Citation CJ3+* aircraft is also the natural choice. Its cockpit features touchscreen avionics that let you fly with confidence. You can count on this jet to take your business and personal travel to new heights.

Max Range\*

**2,040 nm**

Max Cruise Speed

**416 ktas**

Max Passengers

**9**

Useful Load

**5,530 lb**

Takeoff Field Length

**3,180 ft**

\* Performance data based on a standard day with zero wind. Field performance assumes a level, dry, paved runway, sea level at MTOW. Range based on a ferry mission at LRC with NBAA IFR reserves (100 nm alternate).

# UNMATCHED ADVANTAGES

## STATE-OF-THE-ART AUTOPILOT SYSTEM

The autopilot system makes flying easy, consistent and enjoyable.

## TOUCHSCREEN AVIONICS

GARMIN G3000 avionics offer touchscreen capabilities and a standard weather radar for intuitive control and easy operation.

## CABIN COMFORT

Enjoy best-in-class standard features that provide aesthetics and comfort.

## EFFICIENT ENGINES

Williams International engines deliver reliable, efficient maintenance and lower direct operating costs.

## GENEROUS BAGGAGE CAPACITY

Enjoy 1,000 pounds of combined front and rear baggage storage.

## ENHANCED GARMIN WEATHER RADAR & ENHANCED VISION SYSTEM

The enhanced GARMIN weather radar with standard Auto Mode provides the latest in automatic threat detection and avoidance. The optional Enhanced Vision System (EVS) provides enhanced situational awareness in reduced visibility conditions such as fog, smoke and darkness.

## TRAILING-LINK LANDING GEAR

The landing gear's trailing-link design provides rugged comfort and makes for soft landings and smooth taxiing.

## CITATION CJ3+ SPECIFICATIONS

### EXTERIOR

Wingspan	53 ft 4 in	16.26 m
Length	51 ft 2 in	15.60 m
Height	15 ft 2 in	4.60 m

### INTERIOR

Cabin Height	57 in	1.45 m
Cabin Width	58 in	1.47 m
Cabin Length	15 ft 8 in	4.78 m

### BAGGAGE CAPACITY

Weight	1,000 lb	454 kg
Volume	65 cu ft	1.84 cu m

### MAX PASSENGERS

9

### WEIGHTS

Max Takeoff Weight	13,870 lb	6,291 kg
Basic Operating Weight	8,540 lb	3,874 kg
Useful Load	5,530 lb	2,508 kg

### POWERPLANT

Manufacturer	Williams International	
Model	(2) FJ44-3A	
Thrust	2,820 lb ea	12.54 kN ea

### PERFORMANCE\*

Max Cruise Speed	416 ktas	770 km/h
Max Range	2,040 nm	3,778 km
Takeoff Field Length	3,180 ft	969 m
Time to Climb	FL450 in 27 min	

\* Performance data based on a standard day with zero wind. Field performance assumes a level, dry, paved runway, sea level at MTOW. Range based on a ferry mission at LRC with NBAA IFR reserves (100 nm alternate).

# LESS EFFORT, MORE CONTROL

Spend less time managing the flight deck and more time enjoying the flight with the power of the *Garmin G3000* avionics suite. With more space in the pilot-friendly, ergonomic cockpit, you'll fly comfortably and efficiently with intuitive touchscreen controls that keep all-important information just a glance away. The optional Enhanced Vision System (EVS) gives you more visibility into approaching weather, fog and more, while your flight deck's technology gives you heightened awareness of all operations with minimal distraction. A fully digital, dual-channel *Garmin* flight control system brings more than an autopilot. It provides redundancy and reliability while optimizing performance across the airspeed envelope.

The *Garmin* Touch Control (GTC), an all new glass touchscreen controller, is the primary connection for the *Garmin G3000* system. This icon-driven interface enables you to access more systems and sensors than ever before. Functions are easy to locate with fewer touch points, allowing you more time heads-up and looking forward.

# ROOM FOR WORK AND RELAXATION

A quiet cabin creates a peaceful, productive environment with natural light supplied by 14 large windows and illumination by low-power, energy-efficient LED lighting. A standard belted, flushing toilet and seating for nine make the most of the *Citation CJ3+* aircraft's cabin space for long-range comfort.

## STAY CONNECTED

Escape the world below while staying seamlessly connected to it with wireless, intelligent cabin technology designed especially for the *Citation* line. Optional, in-flight Wi-Fi, moving maps, flight information and cockpit audio are integrated with your own personal device for productivity and entertainment.

# STEP IN AND MAKE IT YOUR OWN

LED lighting throughout

Refreshment center or optional side-facing seat

Adjustable club seats

Executive tables at primary club seats

Fourteen large windows

Standard belted lavatory

## COMFORT AND PRODUCTIVITY COME STANDARD

The *Citation CJ3+* aircraft offers the ultimate cabin for light-jet travel. From initial design, the seats were crafted with passenger comfort in mind. A belted lavatory comes standard, while the six articulating cabin seats move inboard, outboard, forward and aft for added legroom. Executive tables and armrests stow neatly out of the way when not in use. These are just a few of the details that are standard in the *Citation CJ3+* aircraft cabin.

Optional seating

Standard seating

# ADVANCE YOUR TRAINING

Aviation professionals worldwide rely on FlightSafety International to provide the highest-quality training and outstanding service for the Textron Aviation product line of BEECHCRAFT, *Cessna* and HAWKER aircraft. Our Learning Centers give our customers the confidence of knowing we're focused on reliability, convenience and flexibility.

## FLIGHTSAFETY INTERNATIONAL

- Approved by aviation regulatory authorities worldwide.
- Access our fleet of 78 simulators at 13 centers.
- Most Learning Centers are conveniently located close to Textron Aviation Service Centers.
- Learn from experienced instructors committed to your proficiency and success.
- Each classroom and simulator experience delivers outstanding and unmatched quality.

# YOUR CONNECTION TO OEM EXPERT SUPPORT

Maintaining a global fleet requires worldwide coordination and universal access to the knowledge of experienced support representatives. With you as our focus, we are fully committed to you and supporting your *Citation CJ3+* aircraft with general aviation's largest global support network. You can count on Textron Aviation to be by your side with superior parts availability, competitive pricing and a robust distribution system. The quality of support you receive is always efficient, reliable and available 24 hours a day.

## HIGHLIGHTS FROM OUR SERVICE NETWORK

- Textron Aviation has the farthest-reaching network of 20 company-owned service centers and the world's largest parts distribution network.
- Over 30 mobile service and line station locations globally, so support is available wherever you need it.
- A robust e-Commerce platform to make parts purchasing quick and easy.
- A typical fill rate of 94% on parts shipments with 99.9% of in-stock items shipping the same day.
- Personalized ownership programs to assist with maintenance, parts purchasing and flight operations.

-  Textron Aviation Service Center
-  Mobile Service Unit (MSU)
-  Maintenance Line Station
-  Parts Distribution Center

# THE WORLD'S LEADER IN GENERAL AVIATION

---

We advance the market by leveraging the latest technology in our *Beechcraft* and *Cessna* aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft over our 95 year history, exceeding 150 million turbine flight hours in over 170 countries. With more than 12,000 employees building new products and supporting you every step of the way, we continue to provide the industry's widest-ranging offerings and most capable service.

Our portfolio features *Citation* aircraft, the world's best-selling business jets; KING AIR and CARAVAN aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
