

# CIRRUS Aircraft Pricing

Because you order factory direct, you get factory-direct pricing, and you can pre-select a number of options and features for your CIRRUS Aircraft.

High Standards. All CIRRUS Aircraft come with standard features that are optional or not available on most aircraft in their category. CIRRUS also gives you the ability to choose your preferred model of aircraft—SRV-G2, SR20-G2, SR22-G2, and now the GTS special editions. You can choose the aircraft that best fits your needs.

**Prices and specifications effective from January 1st, 2006.**
