TRAINING

- 3 Day Transition Training Package

SR20 PACKAGES

CIRRUS SELECT \$39,900

Cirrus Select adds the **Enhanced Vision System (EVS)** displayed on big **12" screens** and **eTAWS²**. EVS creates an image of what is outside the aircraft by using infrared technology to turn night into day. eTAWS is a TAWS-B terrain warning system with greater predictive precision information based on your flight path, and if terrain is ahead, gives you early warning aural alerts.
Weight Δ: 5 lbs.

ALERTS, AWARENESS & ASSISTANCE \$28,900

Fly with increased precision and awareness with **Synthetic Vision Technology (SVTTM)**. SVT gives you the digital version of the world portrayed on your PFD with numerous navigation and obstruction aids to increase your flight security. Know where you are on approach or on the airport itself with **ChartView** (Jeppesen published electronic charts) and **one year of navigation data subscriptions**. **SurfaceWatch^{TM2}** monitors your aircraft's position on the ground providing enhanced situational awareness through aural and visual alerts to the pilot throughout the airport terminal environment.

DIGITAL ADVANTAGE \$27,900

Upgrade your Cirrus to a truly all-digital cockpit with the **Digital 4-in-1 Standby Instrument**. The **Garmin Flight Stream 510** allows you to connect your mobile device to the Cirrus Perspective panel¹. **SiriusXM Weather and Audio²** receiver completes the ultimate GA Cockpit.
Weight Δ: 6 lbs.

PRESTIGE, COMFORT & CONVENIENCE \$34,900

Your aircraft will take you many places; make it look even better at your home airport with the Prestige, Comfort & Convenience package. Adds **leather bolstered seats, UV windows, two-tone silver over white paint, polished spinner, handles and steps, remote keyless entry** and **interior/exterior ambient convenience lighting**.

CARBON APPEARANCE UPGRADE \$28,900³

Inspired by the unmistakable style of the most legendary sports cars, the Carbon Appearance premium upgrade utilizes a new palette of accent colors that delivers a stunning tarmac presence. Interior details such as jet black vents, carbon fiber instrument panel lobes and two-tone premium leather bolstered seats complete this exhilarating look.

PLATINUM APPEARANCE UPGRADE \$28,900³

A true sense of traditional, elegant and luxurious style is captured in the Platinum Appearance premium upgrade. Fluid lines and a distinguished collection of earthy exterior colors highlight this desirable option. Nickel vents, a painted spinner, and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich appearance upgrade.

RHODIUM APPEARANCE UPGRADE \$28,900³

Timeless and sophisticated, the Rhodium Appearance premium upgrade defines modern luxury with iconic simplicity. Make your statement with a striking yet subtle exterior in one of three stunning new metallic hues. Nickel vents, a painted spinner, and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich new addition to Cirrus style.

GTS

The GTS is truly the SR20 flagship. Combine all the packages for even greater value: **Cirrus Select; Alerts, Awareness & Assistance; Digital Advantage; Prestige, Comfort & Convenience; Carbon/Platinum/Rhodium Upgrade** plus **Active Traffic Information** and **authentic GTS badging**. GTS is the luxury, technology and performance standard by which all other aircraft are measured.

GTS *Weight: 2146 lbs.*

\$564,900

ADDITIONAL OPTIONS

AIR CONDITIONING \$26,900

Stay cool with this factory installed Air Conditioning System.
Weight Δ : 55 lbs.

ACTIVE TRAFFIC INFORMATION \$21,900

Always know where other aircraft are located with alerts from all aircraft with an active transponder within your proximity.
Weight Δ : 15 lbs

Guarantee your aircraft is ready for colder weather flying and maximize your engine life.
Weight Δ : 2 lbs

THE INDIVIDUALIZED ART OF THE POSSIBLE

Cirrus owners already have an unparalleled appreciation for quality and performance. It's the reason Cirrus continues to be the world's best-selling airplane in its class. Now, Xi takes this one step further through individualization - by making you an integral part of the design team for your dream airplane.

A unique experience worthy of every flight you will make in your Cirrus, you will develop a personal working relationship with the Xi Team, working one-on-one to tailor your plane to your exact specifications and preferences for materials, colors, designs and more. With Xi, you define the art of the possible.

Xi COMPLETE	\$59,900 ⁴
Xi EXTERIOR	\$34,900 ⁴
